

2-15-24

Families,

We believe a community of kindness, love, and support equals success. As a result, we will be hosting Spring Conferences to foster family/teacher communication and support. Conferences are scheduled for Friday, March 8th beginning at 1:00pm. **A conference is not required for every student.** Your child's teacher has determined which conferences are needed based on academic progress and/or behavior.

A sign up form will be sent home with your child, **if your child's teacher is requesting a parent conference.** If you receive a sign up form, please send the form in with your availability, no later than February 28th.

If you would like a conference with your child's teacher, please send a note that includes your availability between 1:00-4:00pm on March 8th, no later than February 28th so they can add you to their schedule for the afternoon.

Sincerely,
St. Symphorosa Faculty
