

Dear Families,

We would like to inform you of upcoming adjustments to our Title I program. Due to Title I funding requirements, we are required to follow the regulations set forth by Chicago Public Schools (CPS). One of these regulations includes maximizing group sizes to include up to **eight students per group**.

As a result, your child's schedule **may change effective next week**. In some cases, there may also be an adjustment to your child's assigned Title I teacher.

Additionally, some families may receive new **Title I consent forms**. Please sign and return these forms as soon as possible. Without a signed consent form, your child will be **temporarily removed from the Title I program** until the form is returned.

If you have any questions or concerns, please reach out to the **Title I Supervisor** over your school for assistance.

Thank you for your understanding and continued support as we ensure compliance with program requirements while continuing to provide quality services for our students.

**Brittani Daniels**
