

St Symphorosa Parent Association (P.A.)

Fundraising...

Each school year, the Parent Association Board selects fundraisers that will help you fulfill your fundraising quota as well as reduce your tuition. Each family has a dollar amount or fundraising quota to fulfill by early April. By participating in these fundraisers a percentage of your sales will be applied toward your fundraising quota. Once your quota is fulfilled, the additional percentages raised will then be credited towards your tuition.

For your reference, the 2025-2026 fundraisers eligible towards your fundraising quota are listed here:

August/September: FOOTBALL MANIA (50%), MEADOW FARMS (30-40%)

September/October: WORLD'S FINEST CHOCOLATE (40-45%)

October: BIG BOX CARDS

November: TBD-COOKIE DOUGH or LITTLE CEASARS PIZZA

February: ACTS OF KINDNESS MARATHON (25-30%), SPRING MEADOW FARMS (30-40%)

March: SPRING WORLD'S FINEST (40-45%)

These fundraisers are a great way to stock up for the holidays or to shop for essentials and gifts all year round!

Make them known to family and friends, as many of them love to help the kids!

** Percentages shown are subject to change without notice based on stipulations set by the fundraising companies. Additional fundraisers may be added as approved, suggestions are welcomed! **

** Please note that the P.A. may also sponsor additional events or fundraisers that are not eligible to be applied toward this fundraising quota. This will be notated on any materials sent home. **

P.A. Fee...

Your P.A. Fee is included in your tuition costs on FACTS. The Parent Association does not make a profit on the fundraisers that we sponsor to help your family reach their fundraising quota. The PA Fee is what allows us to operate throughout the school year as an organization and absorbs the additional cost needed to sponsor many of the events that we put on throughout the year. Events such as back to school dance, Halloween festivities, Santa Shop, Student appreciation day, all school field trips, teacher appreciation breakfast/lunch, Friendsgiving dance, sweetheart dance, mother/son dances, father/daughter dances, mother's day craft night, pizza parties, ice cream parties, field day treats, and more.

It also allows us to help the school directly with costs that they may need additional funding for.

Service Hours...

15 Service Hours are required every year for each individual school family. The Parent Association Board does their best to provide you with plenty of service hour opportunities and are ALWAYS looking for volunteers for any events that we sponsor. Volunteer forms will be sent home or posted on DOJO with each event, so be sure to look out for those opportunities and volunteer as much as you can! We are also always looking for new events to bring to the school, so please, feel free to send us your ideas!

Join Our Team...

Your show of support is one of the greatest gifts that you can contribute as a parent of St. Symphorosa School, and it is much appreciated! If you have a child or children attending St. Sym's and you would like to join the Parent Association Board, please reach out to Monica Scott to find out how to join the PA Board today!
